

casa, facciamo ciò che possiamo 2019

24/12/2019

Per chi è senza casa, facciamo ciò che possiamo ... il "QUANTO" dipende anche da voi ...

Toilet at Fam 124 was previously destroyed by heavy rain experience in the area, the second in the same plot, was later dug by villagers as part of cost share to assist the family. cipad proceed to construct the house on it.
the two shelter construction is progressing well 124 is at Mudding stage while 136 is at the stage of plaster .

see the construction of new Shelter and latrines at Families 124,136 and 013 all the latrine have been completed.
