## CHRONICLE index

**(management of the Sololo Project at the time of the coronavirus)**

---

[Africa ... Coronavirus ... Sololo](#)

- 02-07-2020 ... there is an upsurge of covid in kenya and the situation is not any better. for us we are still safe no case in Sololo. to date
  - 04-06-2020 ... we are fine mas upto today our County did nit record a case but the number of reported cases in the country continued to rise every day. we are confined in obbitu children home. we even prayed Eid prayers alone in obbitu children playground.
  - 20-05-2020 ...with much worry of corona by finding one in meru near nanyuki
  - 18-05-2020 also political temperature is very high in kenya.
  - 02-05-2020 case of Covid 19 reported in Moyale Ethiopia.
  - 01-05-2020 we are fine but with fears and scare . neighboring Wajir county has reported 1 case of Covid 19. God help us.
  - .. not all the masks are the same ... when you wear it try to blow and see if you can put out a lit lighter placed in front ...
  - .. not all the masks are the same ... when you wear it try to blow and see if you can put out a lit lighter placed in front ...
  - [11-04-2020 we are fine, there is no active confirmed cases in Sololo, but there is a lot of fear.](#)
  - [Marsabit County close its border from Mandera coutry.](#)
  - [Recomandations for adjusting food distribution in the context of the covid-19 on outbreak.](#)
  - [we have already placed our request to the government](#)
  - [ok, it's time to show that you are capable of flying](#)
  - [we conducted management team meeting to discuss](#)
  - [We prepare the future](#)
