HOLIDAY PERMISSION

It was one sunny Saturday morning I woke up with a joy. when it was about 12 p.m our parents started arriving. Then I saw my grandmother coming.

My grandmother then gave me a reward which was a beautiful shoe I jumped in ecstasy. when it was 1 p.m we all ate a delicious lunch together.

At when it was 3 p.m we all went home. I and my grandmother we went home ^{on} foot. When we arrived home we drink a tea which was not sweet but little sweet.

That evening I and my little sister we went to the Dam to fetch water because there was no enough water to cook food. Then when we are on our way home we saw good people and bad people.

"One girl told me how bad people behave. They behave without a respect they can't respect there parents. ~~She~~ The girl I am talking about is my friend.

She is kind, respectful and honest. That night we didn't eat any supper we slept hungry. We slept on a carton and we are bitten by a mosquito."
