Dear Pino Bollini

I hope this letter find you well. I am Digo Racha Huga and I am currently enrolled in a Certificate Program in Obbitu Project at Imperial College. I am writing to express my heart felt gratitude for the support you have provided, which has played a crucial role in my academic achievement so far.

I am excited to share that I have the opportunity to upgrade my certificate to a diploma in Community development and social work. This advancement will allow me to deepen my knowledge, acquire more specialized skills and enhance my qualifications for better career opportunities in hospitals and in community. However, the transition to a diploma program involves additional costs including the tuitions fees and up-keep.

Given the significant impact your previous support has had on my educational journey, I am writing to kindly request your assistance in covering the costs associated with this upgrade. Your continued support would be invaluable in helping me achieve

my goals and make me a meaningful Contribution  
to the Community

I am fully Committed to making the most of this  
Opportunity and I am confident that upgrading to a  
diploma will bring me closer to my long-term  
Career Aspirations. I would be more than happy to  
Provide my further Information you might need  
and keep you informed of my progress as I  
Pursue this path.

Thank you Once again for your generosity and  
belief in my potential. Your Support has been a  
Source of great motivation and I hope to  
Continue making you proud

Yours Sincerely

Digo Rocha
