EYE CAMP AT SOLOLO MISSION HOSPITAL

The eye medical camp is being organized by the office of the Member of Parliament Moyale constituency and MEAK Organization who are the sponsors. They will collaborate with doctors from lions eye hospital and the staff of Sololo mission hospital.

The eye camp includes screening, operation and treatment of general eye problems. The services will be free for all the patients who will be screened

Mobilization and creating awareness will be done by the constituency office and Sololo Mission hospital. CIPAD will announce and create awareness for the Beneficiaries of home Based care and the beneficiaries' Elderly assistance program.

The expected cost for sensitization and awareness among the HBC and elderly beneficiaries will be footed by CIPAD. The staff that will take responsibility of mobilization and screening will includes

1. Paul Guyo
2. Abdi Okotu

For the patients who will under screening, treatment or operation and requires assistance the program will cater for 2 persons. We believe the number of patients will increase due to nearness of the health facility for eye camp.

Other logistics will include transport from the village to the hospital and back

The target number of patients will be 25 and 25 assistants. The patients will be paid transport after medical team have screened and admitted for further management. Those patients from far flank villages will be considered only. Those from Sololo Ramata can walk to the facilities and back

Our team will be at the screen area for documentation like photos, taking personal data for reporting and support in case they will need assistance
