SPEECH BY MR GUFU GUYO

1. Background –program started in 2007 and obbitu children home 2010.
Each one of the student knows when he/she was admitted into the program admitted in to obbitu children home or HBC. How long they have been supported by the program
2. How do feel about the support from infancy to your adult that the program is still supporting you to make sure you reach the highest level of your academic
3. The vision of the association is see all children attain highest level of education and have sustainable in come for their family
4. Our goal is to link your background and your future so that you may be able to focus and succeed in life. You should not be distracted from your education and gate meaningful income
5. Our Objective is to form this association of alumnae is
 1. To make follow up on the children who have passed through our program and can attain highest level of education
 2. Develop a network of children who were sponsored and they can communicate with each other and advice one another

3. To link you to obbitu children home for your counseling , guidance and services
4. To give back to obbitu children home in kind of financial
5. To be a role model for the children in obbitu children home and home based care

EXPECTED ACTIVITIES FROM THE ASSOCIATION

1. Bi - annual meeting with obbitu children home
2. Support activities of home visits and health assessment when you are free and available
3. To write personal success story showing their journey of your life and the program
4. To give back in kind or financial if you have the capacity e.g. have sustainable employment
